Re: USEPA Hazardous Waste Notification
Generator No. IL D005189599
Your letter of August 24, 1981

Dear Mr. Child:

This is a request for our facility at Mattoon, Illinois to be deleted from the hazardous waste facility list. At this time the regulations do not apply to our facility.

Should we make any change that might cause a change in our status, we will advise your agency.

Sincerely,

F. A. Bensley
Quality Control Engineer
